## INDEPENDENT AUDITORS' REPORT

To the Board of Directors  
The Methodist Home for Children

We have audited the accompanying statements of financial position of The Methodist Home for Children as of June 30, 2008 and 2007, and the related statements of activities, functional expenses and cash flows for the years then ended. These financial statements are the responsibility of The Methodist Home for Children's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Methodist Home for Children as of June 30, 2008 and 2007, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated December 16, 2008 on our consideration of The Methodist Home for Children's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audits.

THE METHODIST HOME FOR CHILDREN  
NOTES TO FINANCIAL STATEMENTS

For the Years Ended June 30, 2008 and 2007

1) Nature of activities

The Methodist Home for Children (the Home) is chartered in the state of Louisiana as a not-for-profit organization without capital stock, which is classified as one that is not a private foundation within the meaning of section 509(a) of the Internal Revenue Code because it is an organization described in section 170(b)(1)(A)(vi) which normally receives a substantial part of its support from direct or indirect contributions from the general public.

The Home operated a residential treatment facility located in New Orleans, Louisiana, providing care for abused, neglected, and/or abandoned children. In July 2007, the Louisiana Department of Social Services declined the renewal of the Home's contract for residential services. Residents in these programs have been transitioned to the other residential programs in the state. The Home's primary source of revenue is now derived from its therapeutic foster care programs.

The Methodist Home for Children administers programs, receiving revenue from the State of Louisiana, Office of Community Services. The residential programs administered to children with moderate and severe emotional and/or behavioral problems. The therapeutic and private agency foster care programs place children in family environments, while providing counseling and support for the families. The Home is operated as an agency of the Louisiana Conference of the United Methodist Church.

The accompanying financial statements include only the accounts of The Methodist Home for Children. No other assets owned by or activities operated by the Louisiana Conference of the United Methodist Church have been included herein.

2) Summary of significant accounting policies

The significant accounting policies followed by the Home are summarized as follows:

(a) Basis of presentation

The financial statements are prepared on the accrual basis. Support from both unrestricted and restricted contributions is recognized either on receipt or upon receiving an unconditional pledge or promise to give from a donor. Support from unrestricted contributions is reported as unrestricted support that increases unrestricted net assets. The Home reports gifts of cash and other assets as temporarily or permanently restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions, where all related expenses are also reported. Donor-restricted contributions whose restrictions are met in the same reporting period are reported as unrestricted support.

THE METHODIST HOME FOR CHILDREN  
NOTES TO FINANCIAL STATEMENTS

For the Years Ended June 30, 2008 and 2007

2) Summary of significant accounting policies (continued)

The Home reports gifts of land, buildings, and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Home reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

(b) Investments in marketable securities

Investments in marketable securities are stated at fair value. There were no donor-restricted investments at June 30, 2008. Gains and losses on investments are reported in the statement of activities as increases or decreases in unrestricted net assets. Dividend, interest, and other investment income are reported in the period earned in the statement of activities as increases in unrestricted net assets.

(c) Concentration of risk

Approximately 78% and 84% of the Home's revenue for the years ended June 30, 2008 and 2007 was provided by contract for services with the State of Louisiana, Office of Community Services. A significant reduction in the level of this revenue, if this were to occur, would have a material effect on the Home's programs and activities. The Home is required to submit expenditure reports to the state agency, when requested.

(d) Concentration of credit risk

Deposits at financial institutions may at times exceed the Federal Deposit Insurance Corporation limit. Deposits in excess of insurance coverage represent concentrations of credit risk. The Home has not experienced any losses as a result of any excess deposits in uninsured accounts. Amounts in the investment account are not insured under the Federal Deposit Insurance Corporation (FDIC) or the Securities Investor Protection Corporation (SIPC).

(e) Depreciation

Building and improvements are being depreciated over estimated useful lives of 40 years using the straight-line method of depreciation. Equipment and furniture are depreciated over estimated useful lives, which range from 3 to 10 years, using the straight-line method of depreciation. It is the Home's policy to capitalize assets costing \$500 or more.

THE METHODIST HOME FOR CHILDREN  
NOTES TO FINANCIAL STATEMENTS

For the Years Ended June 30, 2008 and 2007

2) Summary of significant accounting policies (continued)

(f) Accounts receivable

Trade accounts receivable are stated at the amount the Home expects to collect from governmental agencies. The Home's estimate for the allowance for doubtful accounts is based on a review of the current status of accounts receivable. An allowance for uncollectible amounts is recorded equal to aged receivables over one year old. The balance of the allowance for uncollectible amounts at June 30, 2008 and 2007 was \$-0.

(g) Income taxes

No provision for income taxes has been made since the Home is exempt as a nonprofit organization pursuant to Section 501(c)(3) of the Internal Revenue Code. The Home has no unrelated business income.

(h) Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of support and revenue and expenses during the period. Actual results could differ from those estimates.

(i) Allocation of expenses

Administrative expenses and other overhead are allocated to program and supporting services by management on the basis of number of residents in the corresponding programs and/or the number of employees in the corresponding departments.

(j) Statements of cash flows

For purposes of the statements of cash flows, the Home considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

3) Investments

Investments are stated at fair value. The United Methodist Foundation of Louisiana is the custodian of the investments for The Methodist Home for Children. The Foundation makes investment transactions through professional investment management companies. The Home participates in the Foundation's Fixed Income Funds. These assets are unrestricted.

THE METHODIST HOME FOR CHILDREN  
NOTES TO FINANCIAL STATEMENTS

For the Years Ended June 30, 2008 and 2007

3) Investments (continued)

The resolutions as to the use of these funds are voluntary, at the discretion of the Board of Directors of the Home. Therefore, investment income gains (losses) and expenses are reported in the current period in the statement of activities as increases (decreases) in unrestricted net assets. At June 30, 2008 and 2007, \$103,336 and \$135,473 were invested in fixed income funds, respectively.

4) Support and revenue and donated materials, facilities and services

From time to time the Home receives used furniture and equipment and contributed labor and materials to enhance the facilities. Donated materials and facilities that are such that fair values cannot reasonably be determined and which vary greatly in value depending on condition and style are not recorded as contributions. If donated materials pass through the organization to its charitable beneficiaries, and the organization serves only as an agent for the donors, the donations are not recorded as a contribution. Therefore, historically, the Home has not recorded as contributions any donated materials and facilities.

The Home receives donated services from volunteers for fundraising, as available, and from the members of the Board of Directors, who serve without compensation. Because of the difficulty in placing a monetary value on such services, their value has not, historically been recorded as contributions with an equivalent amount recorded as an expense. The Home recognizes contributions of services, if the service received required specialized skills and would typically need to be purchased if not provided by donation. During the year ended June 30, 2008 and 2007, there were no contributed services meeting the requirements for recognition in the financial statements.

5) Retirement plan

The Methodist Home for Children has a 403(b)(9) retirement plan for all eligible employees. Employees are eligible to participate in the plan if they are at least 18 years of age, have been employed by the Home for one year, and work at least 20 hours per week. Employees are required to contribute at least 3% (up to a maximum of 20%) of their gross bi-weekly wages into the plan. The employer agrees to contribute 4% of each participating employee's contribution base. Employer contributions for the plan during the year were approximately \$4,400 and \$11,200 in 2008 and 2007, respectively.

6) Related party transactions

The Methodist Home for Children incurred management fees of \$62,294 and \$164,747 for the years ended June 30, 2008 and 2007, respectively, to an affiliated entity, Louisiana Methodist Children's Home in Ruston, Louisiana.

THE METHODIST HOME FOR CHILDREN  
NOTES TO FINANCIAL STATEMENTS

For the Years Ended June 30, 2008 and 2007

7) Property and equipment

Property and equipment are carried at cost if purchased and at fair value if contributed. Depreciation is computed using the straight-line method over the estimated useful lives of the respective assets. When assets are retired or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts and any resulting gain or loss is reflected in the statement of activities for the period. The cost of maintenance and repairs is charged to expense as incurred. The following is a summary of the major classes of property and equipment and the related depreciation:

	<u>2008</u>	<u>2007</u>
Land	\$ -	\$ 82,332
Buildings	-	404,655
Improvements	-	682,170
Equipment	-	288,698
Furniture & Fixtures	-	209,940
Vehicles	-	96,546
Total cost	-	1,764,341
Less accumulated depreciation	-	1,595,200
Property and equipment	<u>\$ -</u>	<u>\$ 169,141</u>

In April 2008, the Home donated approximately \$36,200 of equipment to an organization. This donation is included in miscellaneous expense in the statement of functional expense at June 30, 2008.

8) Charitable trusts

On December 18, 1990, a charitable trust was set up by an individual designating the director of the United Methodist Foundation of Louisiana as trustee. The donor suggested that the trust's annual income be distributed to The Methodist Home for Children in New Orleans, Louisiana, on an unrestricted basis. The term of the trust is for 30 years.

In the event The Methodist Home for Children in New Orleans, Louisiana, ceases to function or ceases to be a qualified tax exempt charity before the 30 years has run, the donor suggested the funds be distributed to another children's home. At June 30, 2008 and 2007, the market value of the trust was \$443,241 and \$461,237, respectively. The Home is presently receiving income from the trust. Income from the trust for the years ended June 30, 2008 and 2007 was \$23,855 and \$23,289, respectively.

The Methodist Home for Children is also the income beneficiary of another fund with the United Methodist Foundation of Louisiana as trustee. At June 30, 2008 and 2007, the market value of the fund was \$3,364 and \$3,671, respectively.

THE METHODIST HOME FOR CHILDREN  
NOTES TO FINANCIAL STATEMENTS

For the Years Ended June 30, 2008 and 2007

9) Subsequent events

In September 2008, the Home sold the land and property located at 815 Washington Avenue which had housed its residential treatment facility. Land and property related to this sale is included in property held for sale in the statement of financial position at June 30, 2008. The gross sale price of the land and property sold was approximately \$850,000 and the gain on the sale, less appropriate expenses, was approximately \$621,000.

To the Board of Directors  
The Methodist Home for Children

We have audited the financial statements of The Methodist Home for Children (the "Home"), a Louisiana nonprofit organization, as of and for the years ended June 30, 2008 and 2007, and have issued our report thereon dated December 16, 2008. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audits, we considered the Home's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Home's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Home's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Home's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles, such that there is more than a remote likelihood that a misstatement of the Home's financial statements that is more than inconsequential will not be prevented or detected by the Home's internal control. A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the Home's internal control.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and other matters

As part of obtaining reasonable assurance about whether the Home's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audits, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the audit committee, management, others within the organization and the Louisiana Legislative Auditor Office and is not intended to be and should not be used by anyone other than these specified parties.
